## **How to Pin:**

**Pant Hem:** Fold up pants to desired length and then pin once through all layers of fabric on the back of the pant leg near the ankle.

**Pant Waist:** Indicate waist measurement or pinch the waistband and pin through the waistband the desired waist size.

**Dress Hem:** Using a ruler, measure the distance from the floor to the desired hem length. Pin or mark that spot. Repeat at least 8 times going around dress, measuring from the floor with each pin.

**Repairs:** Pin or mark all of the areas to be repaired.

Instructions from you. Please be as detailed as possible.
